

How to find us

Coming from the north: Take the Autobahn (BAB) A 5 in the direction to Basel

Coming from the south: Take the Autobahn (BAB) A 5 in the direction to Frankfurt am Main

Take the turn marked *Darmstadt Stadtmitte*.

You are now on the *Rheinstrasse*. Continue on this as far as the second set of traffic lights (at the first major crossing), where you will see the Mercedes car showrooms on your right.

Turn right at this crossing into the *Berliner Allee*.

Take the middle lane, which shortly afterwards (after the left lane diverges) becomes the left lane. At the next set of traffic lights, follow the signs straight ahead towards *Höchst/Odw*.

After about 150 metres there is another set of traffic lights, at the junction with *Holzhofallee*.

Please turn right at the traffic lights and immediately left (diagonally across from the junction) into our access road (the street number 38A is shown on the building at the entrance to the access road).

Drive about 50 metres down the access road into the yard. Our office building, which is set back in the yard, is marked on the end with the number “36B” in large characters, and our sign MERZ ARNOLD WÜPPER is also displayed there. Park your car in the spaces available. The entrance to our offices is halfway along the right side of the building, and our offices are on the first floor.

We hope you have a pleasant journey to our offices.
